Amendment MN3 (Part 651)

SUBJECT: ENG - AGRICULTURAL WASTE MANAGEMENT FIELD HANDBOOK
(AWMFH) PART 651

Purpose. To distribute MN Amendment 3, Ag Waste Fact Sheets

Effective Date. This amendment is effective upon receipt.

A series of fact sheets have been prepared for various practices associated with agricultural waste management systems. These fact sheets provide general information on various components which may be proposed as part of a system. When planning a system, it is suggested that copies of the appropriate fact sheets be provided to the decision maker. We hope that these sheets will help to inform that person of various options available before they make final decisions.

Filing Instructions. File Chapter 9 MN Table of Contents page MN9-i.1 after National page 9-iii dated 4/92. File MN9-28.1 and subsequent fact sheets after National page 9-28 dated 4/92. File Chapter 10 MN Table of Contents page MN10-i.1 after National page 10-v dated 4/92.
